Hi Kelly,

Here is the list of speakers attached. The C marks people who commented, X shows who wasn't present to speak.

I am still working on the attendee report and will send that along shortly. We had 137 attendees. Thanks!

Thanks Kelly. You're very welcome!! Somehow we had just the right number of people who wanted to speak, which is always a help. I expect Meredith can get you that information tomorrow.

Have a restful rest of evening.

Jan and Meredith,

Fantastic job once again. If it's possible to get us a summary in the morning with number of participants and list of speakers similar to what you provided last time that would be awesome!

Thanks again!
